

Setting up your email the first time with a temporary password:

On your iPad, select the WILD Domain app

From this site, choose the Google Apps Mail icon

Enter your username and your temporary password

Please note – you will be resetting this password on a school computer at a later time

Welcome to
Google Apps

You will view a Welcome screen and you can click to continue to your account.

If you do not enter the information correctly you may have to enter your information again including entering the CAPTCHA information.

You have now successfully completed activation of your school email account

Information about and accessing your email account:

Your email address is your username@stu.salemhigh.com

On your iPad you will receive mail through the Mail app

To check your mail from a computer, visit the WILD Domain and link to your school Google Mail login screen

REMEMBER: Use your email wisely
